Guidance Counselors/Administrators/Instructors:

The Abilities Plus Endowment is now accepting applications for this year's academic scholarships. Two \$500 scholarships are available to students from Henry, Stark, and western Bureau Counties pursuing a degree in the human service fields. Ideal applicants will be pursuing a career working with individuals with disabilities or developmental delays. All applications must be postmarked by March 26, 2010 and applicants will be notified by July 2010 about the selection committee's decision.

Please share this information with students exploring financial aid options. Students may contact Abilities Plus directly for applications. For scholarship information, please contact Mary Anne Mowbray by email at mmowbray@abilitiesplus.org, by phone at (309) 852-4626 and in person at 1100 N. East Street in Kewanee, Monday through Friday from 8 a.m. to 4 p.m.

The Abilities Plus Endowment created the scholarships program in 2001 as a way to promote and encourage careers in human services and contribute to a well-educated, knowledgeable workforce. Ultimately, our goal is to educate people who will someday provide the best care and support for individuals with disabilities.

If you have any questions or would like additional information, please feel free to contact Abilities Plus.

Sincerely,

Mike Zerull
Executive Director
